Dear Friends,

April 28, 2023

We are thrilled to announce the inaugural **Crocs/Vandalia Sister Cities Kickoff Classic** Soccer Tournament, presented in association with Butler United Soccer Club. In partnership with the City of Vandalia, the tournament, which is expected to draw 70 teams from Ohio and neighboring states, will be held on August 19 and 20, 2023 at the Vandalia Recreation Center.

Sister Cities of Vandalia is an international, non-profit organization dedicated to fostering global friendship, understanding, and communication, serving the Vandalia-Butler Community. Vandalia is lucky enough to have two formally recognized sister cities (Prestwick, Scotland and Lichtenfels, Germany).

Sister Cities of Vandalia is almost exclusively funded by our annual Oktoberfest, with ninety percent of these proceeds going back into the community. For example, we provide several two-year college scholarships for seniors at Butler High School and support multiple youth sports teams.

Additionally, Sister Cities of Vandalia provides financial support for:

- Butler High School students to participate in a student exchange program in Germany
- Vandalia Food Pantry
- Butler Athletic program
- Butler After Prom
- Butler Honor Society
- Butler High School "Salute to Seniors" sign display
- And many other community organizations

Our goal is to guarantee continued funding for these community programs and organizations, which is why we are excited to introduce the **Crocs/Vandalia Sister Cities Kickoff Classic** as our newest fundraiser.

To ensure success, we are asking local businesses and organizations to help us promote this premier event (participation levels are below). As such, Sister Cities of Vandalia would warmly like to invite you to become a sponsor of the **Crocs/Vandalia Sister Cities Kickoff Classic**.

In return for your sponsorship, you or your company/organization will receive the following:
