

The Sister Cities Scoop

Lichtenfels

Vandalia

Prestwick

Happy September to you all! In 2 weeks, we will be in the middle of setting up Our Sister Cities Annual Oktoberfest. If you have not already contacted someone to volunteer please check the Booth Chair list and make the call soon. We are in need of volunteers.

Now you may be thinking, Dave, I would sure like to volunteer but I won't be able to give 3 hours on the 17th or 18th...but can you help on one of these other days: set up on Saturday the 11th @10am or Tear-down on Sunday the 19th @ 10am...or help thru out the week on the grounds or potato salad making on Wed. 16th? For the first time ever, I, President David Starline will guarantee you the following for volunteering: If you can attend one of the nights...I will give you a ticket to get into the festival and get your dinner...choice of hamburger or pork chop sandwich, and potato salad or kraut & pork and buy you a beverage (water, pop or beer). But wait there is more!!...you will have the Oktoberfest Steering Committee's heartfelt Thanks!! (Along with mine!!)

(did my voice sound like that Billy guy on the commercials?) Check out our website at: www.vandaliasistercities.org for additional information about the festival. Presale tickets can be found on the website as well. We have a great deal going on...please go check it out.

After Oktoberfest we will be creating a Visit 2022 Committee to start planning the Lichtenfels visit. There are only 2 things to qualify in order to go on the visit: be a member in good standing, worked at the 2021 Oktoberfest and you can afford your own airfare and own expenses.

It's vital that everyone knows that in our history of when we visit Lichtenfels, that no Oktoberfest or Sister Cities funds pay for any member to go. All the funds made at the Oktoberfest are for the support of Scholarship program, exchange program, support the local sports teams, charitable events, Sister Cities events, welcoming the Lichtenfel's adult visit (every 4 years), the visit of the Ayrshire Fiddle Orchestra and the start up cost of the Oktoberfest each year.

See you at the Oktoberfest 2021 and thank you for volunteering, spreading the word, attending, spending time with us and of course spending some of your cash with us!! ~Dave Starline
